TIME PERIODS FOR FILING A REPLY TO THIS NOTICE:

- 1. Applicant is given **no new time period** if the non-compliant amendment is an after-final amendment or an amendment filed after allowance. If applicant wishes to resubmit the non-compliant after-final amendment with corrections, the **entire corrected amendment** must be resubmitted within the time period set forth in the final Office action.
- 2. Applicant is given **one month**, or thirty (30) days, whichever is longer, from the mail date of this notice to supply the **corrected section** of the non-compliant amendment in compliance with 37 CFR 1.121, if the non-compliant amendment is one of the following: a preliminary amendment, a non-final amendment (including a submission for a request for continued examination (RCE) under 37 CFR 1.114), a supplemental amendment filed within a suspension period under 37 CFR 1.103(a) or (c), and an amendment filed in response to a *Quayle* action.

Continuation of 4(e) Other: 37 CFR 1.121 requires markings indicating changes made relative to the immediately prior version. Examiner notes that Applicant is partially compliant, but, for example, notes that claim 1 is not marked to indicate "during one boot cycle" is added. As there are many claims in the application and checking each and every claim for compliance poses an undue burden, Applicant is hereby considered bona fide non-responsive and must submit a revised version of the claims indicating ALL changes made relative to the immediately prior version of claims.
